June 2025

Ehud Eilam generously offered a free and very timely presentation for our Library regarding the United States' interests in the Middle East. The patrons who attended were quick to express their appreciation for Ehud's nonpartisan, easy-to-understand analysis and information. Additionally, they appreciated that he remained at the Library past the scheduled time to answer all of their questions. Ehud was professional, very easy to work with, and a prompt communicator. I would be very pleased for him to return to our library for another talk.
